

Mostly he has had rheumatism & a  
chinking. I hear him complain about  
aches & pains in his shoulder & back.  
Can't rightly say which shoulder it  
was. I hear him complain of a dispepsia  
it was a kind of cough or hoarseness -  
Can't say that I've heard him complain  
of anything else at all - I have seen  
him occasionally ever since the war -  
I have seen him sometimes 2 or 3 times a  
year. Then 2 or 3 times a week and I  
did live in the same house with him  
for a short time about 4 years ago.  
I don't care when I would see him he  
was "under complaint"

Q Did he have any of those complaints  
while he was in the service?

A. I just didn't notice. I only remember  
that he was sick & off duty one time  
in N.C. But I don't remember what he  
complained of in the army.  
I have never worked with him. I know  
he used to shuck oysters, but I don't know  
what kind of work he does.  
I don't know if he is able to work  
all the time or not.

Q Did you ever know him to lose  
any time on account of being  
sick?

A. Yes, while I lived in the house  
with him he lost some time on
