E. P. BROOKE,
ATTORNEY AT LAW,
219 CONTINENTAL BLDG., BALTIMORE, MD.

In the matter of

Amy Young (widow Robert Young)
Private Co (B) 4th U.S.C. Troops

Personally came before me, a Justice of the Peace in and for aforesaid County
and State, Amy Young claimant, aged 39 years
and 316 Eutaw Court, aged years,
citizen of the Town of , County of Baltimore, State of
Post Office Address.

Maryland, well known to me to be reputable and entitled to credit, and who,
being duly sworn, declare in relation to aforesaid case, as follows:

I am the wife of the deceased Soldier Robert Young
Late Private & Musician Co (B) 4th U.S.C. Troops.
This Claimant says she is the lawful wife of the
said Robert Young & that Claimant is still a
widow. That her said husband had as far as
she knows the heart disease he suffered from such
shortness of breath & constant pain in left side, that
he had a severe cold & he the said Young was in
this condition when she married him in this
condition. My husband's doctor was named Crawford
but I cannot find his office. But I know of Dr. Roere
having attended him and I will try & secure
his certificate if he is willing to give one.
I have used all my power to find Dr. Crawford but
cannot. Some parties say Dr. Crawford has gone one place & some another
but I have done all I can to find him but failed. I know my husband suffered with his heart
and always complained of a pain in his side & great shortness of breath he had to stop
to get breath. breath short could not bear excitement. I did not know him when he
went into the army & cannot say what his health was nor do I know of my own know-
ledge of any treatment my husband had in the army only what has been
told me & that is of his having been in the hospital & being excused from duty. My husband
died at Ellers Lane No 414 Baltimore and very suddenly and as far as I can
judge it was from heart affection and my husband had no regular Physician
at the time of his death nor was he confined to bed he had lately returned from
Washington and his only doctor was called after it was too late to help him
as he was dead. I have no means to live upon except what I get from house
work My occupation is servant in private families & I do some work at my home
316 Eutaw Court Baltimore City.

And I further declare that I am not interested in said case, and am not concerned in
its prosecution. as the lawful widow
