

my Sept 1895 check all right
 The reason I caused the letter of
 Sept. 16, 1895 to be written is that
 I had always received my check
 very promptly and I was afraid
 when there was a delay that some-
 thing was the matter.

It is all right now though for
 I have received all my pen-
 sion checks and have gotten my
 money on them.

I do not write my own name
 I get my little grandchild
 Rosetta Collins to endorse my
 name on my checks and she is
 the person who wrote my name
 on the check dated June 8, 1895
 No. 22963 which you show me but
 my name was written there by
 Rosetta by my authority.

My answers are correctly
 recorded herein
