

Law Office of A. PARLETT LLOYD, S. E. Cor. St. Paul and Saratoga Streets, Baltimore, Md.

Claim No. 687012 of Robt Young, Co. H 2^d Regiment. N. J. 65

On this day and date below written personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follows:

"My age is 50 years; I reside in Baltimore, Md., at No. 19⁶ Saratoga Street. I knew Robert Young the soldier from my earliest childhood. I know that he was a sound hearty man when he enlisted but that when he came home from the army he was suffering to my personal knowledge from rheumatism & diarrhoea ^{spile}. I know this because I saw him first day after his discharge & arrival home & he then not only complained of said diseases but was actually suffering from them. I have suffered from them myself & I know just what they are. Young continued to suffer from said diseases from his discharge to his death and was to my positive knowledge disabled thereby during each & every year from his discharge to his death fully ^{to} his wife by said disabilities, that is to say, from his death to the present. I have no interest in this claim.
