Robert Young
4 Regiment. U.S.A.

On this day and date below written, personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follows:

"My age is 44 years; I reside in Baltimore, Md., at No.

791 N. Muller Street.

I served in Co. G, 4th U.S. Infantry with claimant's husband. I positively know while at Dutch Gap, Va. Summer 64, the said Robert Young contracted rheumatism, piles and diarrhoea from exposure in service & line duty. And ever continued to suffer up to his discharge in 1866. I remember when he came out of the service he was still suffering with said disabilities and ever suffered up to his death. I positively know he was disabled thereby during each and every year from his discharge to his death fully 2/3 his time, from the said disabilities. I saw him constantly from his discharge up to his death & on most intimate terms therefrom. I believe statements to be true.

I have no interest in this claim.
