Q Are you related to James Henson, or otherwise interested in his claim for a pension

A I am not

Q Have you known Claimant to be entirely disabled for purposes of Manual Labour at any time since his discharge, if so, when and for how long a time

A I have known him to have two or three attacks lasting a week or ten days, that was eight or nine years ago, He had one attack 18 months or two years ago,

Q Is his health better or worse than it was ten years ago,

A I believe he attends better to his work now than he did ten years ago, but he complains all the time, and generally has a man to help him when he is at work,
