

(3-446.)

DEPOSITION *N*Case of *James Heuson*

, No. 328330

On this *21* day of *September*, 1883, at
Baltimore, County of *Baltimore*

State of *Maryland*, before me, *James M. Clements*, a
 Special Examiner of the Pension Office, personally appeared *Dr. F. B. Gardner*,
 who, being by me first duly sworn to answer

truly all interrogatories propounded to him during this Special Examination of afore-
 said pension claim, deposes and says: his age is 35 years, residence *120 N. Green*
Street, Baltimore Md., is acquainted with the claimant *James*
Heuson. Attended him professionally for an abscess of the
 groin about the year 1869 or 1870, treated him at his home for
 about three weeks, I judged the abscess was caused by a strain
 in lifting from the history he gave me of it, at the time.

Q Did he complain of any other disability, or did you observe symp-
 toms of any specific disease

A He did not complain of any other disability at that time
 I don't remember that I observed any symptoms of any spe-
 cific disease.

Q Have you attended him professionally since that time,

A I paid him one visit for rheumatism about two years
 ago, my book shows that visit was January 29, 1882
 for rheumatism.

Q Do you know whether claimant is now troubled with any
 disease.

A I do not

Q Are you directly or indirectly interested in the claim
 of *James Heuson* for a pension

A I am not
