PHYSICIAN'S AFFIDAVIT.

TAKE NOTICE.—This affidavit should, if possible, be in the handwriting of the affiant; the marginal instructions should be carefully observed before writing out the statement. All the facts in possession of affiant as to the origin and continuance of the disability should be fully set forth, and the dates of treatment should be specifically given. If the affidavit is prepared from memoranda in possession of the physician, that fact should be stated.

NOTES.

The Physician's Affidavit should show the following facts:

1st. Whether or not he knew the soldier prior to enlistment; the length of time he has known him; how intimately, and what opportunities he has had of observing his physical condition, whether as his family physician or as a neighbor; and how near he has lived to him. If he knew that the soldier was a sound man at enlistment, he should so state, adding, if true, that had he been unsound he would have known it.

2d. If he treated claimant while in the service, either as his regimental surgeon or while claimant was home on furlough, that fact should be stated. The claimant's physical condition at such times should be clearly shown, as well as the nature of his disability and dates of treatment.

3d. If he has treated soldier since discharge he should so state, giving the date of his first treatment; what his physical condition was at the time, with a complete diagnosis of the disability; the period during which he treated him should be stated, with dates, as near as possible of the prescriptions.

4th. The extent to which claimant has been able to perform manual labor since discharge.
