Claim No. 976630 Of Charles H. Tillman Co. B 7 Reg't. 116th

On this day and date below written, personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follow:

My name is Edward J. Phelan, I am 43 years old. and I reside in Baltimore, Md. at No. 1225 W. Hill Ave Street. I have been a practitioner of medicine for six years and have been acquainted with the soldier Charles H. Tillman for about 3 years, and that he has been suffering Chronic Gastric Catarrh.

Here give a full diagnosis of the disabilities from which you find soldier now suffering, and state for what period you have treated him.

Said has been under my care since March 12th

Be sure to state whether the disabilities are due to vicious habits and of permanent character, and the extent you have found claimant

The disease has been preventing him from disabled for manual labor in earning a support during the period of your treatment; i. e.  $\frac{3}{4}$   $\frac{1}{2}$   $\frac{1}{3}$  as the case may be. State all

working about  $\frac{1}{2}$  of the time. After having consultation with Prof. Adler specialist on the stomach we came to the conclusion that he must have markedly exposed himself or subsisted upon improper food since his habits are quite good. I have been unable to do him very much good. He also suffers from chronic neuralgia in the head, back and side with at times retractions of the right testicle. There is an extensive arteriosclerosis present with albuminuria of the kidneys manifesting symptoms of dizziness and blurred vision. He is a temperate man using alcohol and tobacco very moderately.
