Department of the Interior,
Bureau of Pensions,

Dear Sir:-

Your valued favor of the 5th inst has been received.
Replying thereto I beg to state that George Downs, colored, who
died here June 18th, was a charity case, so far as we know anything
about him. If he had any money we did not know of it. If there
was any payment to be had for his treatment while here, please advise
us, and oblige,

Yours very truly,

J. E. Ellis
