

I never knew Henry Bates to go by the name of Thorton Bates.

He was all of 30 years old when he came here and said he was a single man and I did not know or hear of him having a wife in Va. or other than Fanny. I do not know whether he married after he left Fannie.

While he was here they lived as man & wife and I believe they were legally married.

I was not present when Fanny married John H. Gibson but was at the reception and they then lived together as man & wife till he died over 4 years ago. I don't know the cause of his death.

I never heard of Bates dying and I have heard of him since she married Gibson.

No intent. Have understood your questions & my answers are correctly recorded.

I know Thomas Talbot, he is now off sailing on a vessel and its not telling where he will be here. He came from Va but not at the same time Bates did and I do not know whether they came from the same place or not.

I was at Gibson's wife funeral in his first wife - that was before he married my sister.
