

me. She passed away from
fever after patient suffering,
As I was not on hand, the
money paid to her by your
good free support and comfort
for which she expressed
deep gratitude.

At the time of her death,
two months and ten days of
the quarter ending Dec. 4 had
passed.

The sum due her would
help defray funeral expenses
etc.

I should be grateful for such
help. Yours respectfully
Walter G. Howard.
