

[LETTER FORM 15.]

No. 4105

Navy Department,
BUREAU OF MEDICINE AND SURGERY,

Washington, D.C., Sept 16th 1889

Sir:

In reply to your communication of Sept. 7th 1889, relative to the disability of William Munoz, Rate Landsman, U. S. Navy, you are informed that on the "Alleghany" Admitted May 2^d, 1865 with Typhoid, Dysenteric Bubo in right groin. Origin is not stated. Discharged May 20th, 1865, to duty. There does not appear to be any recommendation for discharge or survey on file in this office. Enclosure (1) returned.

Very respectfully,

W. Van Riper
Surgeon General, U. S. Navy.

Hon. COMMISSIONER OF PENSIONS.

Acting Chief of Bureau
