and that he receives a pension of _____ dollars per month.

Pulse rate per minute, 100; respiration, 20; temperature, 76; height, 5 feet 5 inches; weight, 140 pounds; age, 48 years.

Here give the claimant's statement as briefly and as compactly as possible.

He makes the following statement upon which he bases his claim for: Original
that his disability interferes with the performance of manual labor.

Here give a full symptom picture of the case, embracing all the physical and rational signs, but confining it to the present condition of the claimant.

It must be borne in mind that the duty of the Surgeon is to give an opinion as to the proportionate degree of disability, as total, &c., through the grades, without any regard to dollars and cents, and to make such a full particular description as will afford to this Office the ground for intelligent opinion and action in rating.

Upon examination we find the following objective conditions: General physical appearance good.
Crepitation of both knees - right shoulder and ankle and left wrist. No deformity of joints. Complaints of severe pains in the back on stooping and soreness of chest muscles.
Heart: apex beat carried to the left near the nipple line slight mitral regurgitant murmur. Lungs normal.
No other disability.

From the existing condition and the history of this claimant, as stated by himself, it is, in our judgment, _____ probable that the disability was incurred in the service as he claims, and that it has not been prolonged or aggravated by vicious habits. He is, in our opinion, entitled to a 6/18.

Rate for each cause of disability.

If prolonged by vicious habits, the word not should be erased and the reason for the erasure given.
