NOTE—Affiants should state how they gain a knowledge of the facts to which they testify.

That I have been personally well acquainted and associated with Mrs Adeline Barnes for the past 35 years; knew her deceased husband John S. Barnes for about the same length of time; that prior to their marriage I lived as a neighbor to the family of said claimant and was intimately associated with her and family and intimately associated with said John S. Barnes who waited upon the claimant sometime before their marriage, and I do know that said claimant was never married prior to her marriage to said John S. Barnes, whom to the best of my knowledge and belief was never previously married, if he had been, my association was so close that I would have known or heard of it; I do know that said parties were married ~~and I do know that they lived together as man and wife from the date of the said marriage until the soldier's death and was never divorced; that I now live in the same house with the claimant Adeline Barnes, and do know that the claimant has not remarried since the death of her said husband John S. Barnes. That I know these facts from my own personal knowledge derived from close and intimate association.~~

I further declare that I have ~~no~~ no interest in said case and ~~am~~ am not concerned in its prosecution.
