(Old No. 3-446.)DEPOSITION *H.*Case of *Elizabeth C. Rosier*, No. *735.594*

On this *twenty fourth* day of *May*, 1902, at *Baltimore City*, county of _____, State of *Maryland*, before me, *Edward Howard*, a special examiner of the Bureau of Pensions, personally appeared _____

Margaret Dorsey, who, being by me first duly sworn to answer truly all interrogatories propounded to her during this special examination of aforesaid claim for pension, deposes and says:

I am *56* years of age, my occupation is that of a *Landlady*, and my residence is *533 N. Fremont Av. Baltimore, Md.*

I know the claimant *Mr E.C. Rosier*, have known her all my life; we were both raised right here in *Baltimore* and played together and have been intimately associated with her ever since we were girls. I knew her husband only a little while before he married the claimant. I was present at the marriage and know that soldier and claimant lived together up to the day of soldier's death - *No. Sir*, there was no separation or divorce. I cannot say of my own knowledge that he had never contracted a prior marriage, but I never heard anything of it. As to claimant I am certain sure that the claimant was never married before she married the soldier. I must have known it because I associated with her all the time. I ~~was~~ also know that she has not remarried since her husband's death, nor has she lived with or cohabited with any man.

I knew the soldier by the name of *Elbert Rosier*, but a great many people called him *Elby*; it was a short of a name just as I am called *Mag*. He was known to nearly everybody by both names.

No. Sir, I don't know anything about _____
