

And gave orders to them what ~~to~~ do.
 I could only nurse my enstment with my
 left hand. ~~tho~~ I could command my
 men as well as ever. so I remand
 with my Regiment. and ~~but~~ keep
 my hand in a sling till it wear better.
 and a bout my deprec
 I never had any thing don for my hurting
 "we tell we went to Texas. Tho my
 head was very much jird with the big
 guns. and when I got to Texas
 I had a very hard spell of
 chills and fever ^{and} misery in the head
 for a long time. I suferd this in my
 gutters. I thought I would sholy die
 and my head sholy would com open
 then I was treated by dr mico. o.
 Carter and hospital Stord ~~william~~
 williams butler. All this was don
 while lying at Brownsville Texas
 every thing was don for me that could
 be don for a Soldier. and my neck
 neck ^{had} blisters plasterd on it for
 my dead. it is true. it did great better
 but it never did great will. for I am
 supring with my dead and deprec
 the very ~~mint~~ minute. and it has
 preheited me from making my living
