 George Chambers no 152 Druid Hill av
 Baltimore City. St of Maryland March
 the 11th 1884 Mr. Dudley your Honor Sir.
 you sent me a letter about my hospital
 treatment. most honorable Sir. I have
 sent the statement to you three times
 before. I never was in a hospital to stay
 and the reason ~~was~~ was. when I was
 out in the right risk, I was barred
 to General Thomas head quarters and
 the major doctor on that staff. I was
 my wound up, and told me if the
 cut had been a little deeper the
 hand would had to come off. This happen
 as near as I can learn at it a bought
 the first of July 1864 a bought six or
 seven o'clock. p.m. at the front of
 Peeters bridge Va. the next morning at
 Sick call I reported to my regimental
 dr. which was doctor mils. O. Carter
 major dr. then my hand was band in a
 sling for it was impossible for me to nurse
 that hand. I then ask the dr. and my
 cornel which was Col. Perkins whether I
 was to go to the hospital. and the
 told me no. the Col. Sir told me that
 I should stay with my hand.
