

State of Maryland City of Baltimore - Before me
 a Justice of the Peace in and for the State & City aforesaid
 personally appeared Charles Robinson aged about thirty-
 two residing no 247 Orleans street Baltimore & when em-
 ployed was with Mr Chas Banks lately failed in
 business - Deponent states that he personally knows George
 Chambers late principal Musician in the 19th U.S. Colored
 Troops (then belonged to Company G) & was detailed as
 drummer & knew Chambers from the date of my
 enlistment in Co F 19th U.S.C.T. when I first met
 him he must, good hearing & not deaf - I noticed that
 after the battle of Petersburg in Chambers was
 very deficient in hearing this was noticed not
 only by my-self but the Band-members generally - as it was
 necessary for us to receive certain orders & hold
 conversations with Chambers. I remember when
 he was sick in the quarters & his complaint was
 located in his head, at this time we were in the same
 tent and hospital steward & doctor was attending
 him at this time which was about the month of
 November. The place where Chambers was at
 the time of the sickness there mentioned was
 at Brownsville Texas
