

State of Maryland City of Baltimore
 On this 22nd day of November A.D. 1883 before
 me a Justice of the Peace of the State & City
 aforesaid, personally came John Harris late
 Corporal in Company (A) 19th United States Colored
 Troops aged 44 years living at no 4 Mt. Cubbin Street
 near Orleans St in Baltimore & by occupation a Dray-
 man and swears that he knew George Chambers late
 principal Musician of the 19th Regiment U.S.C.T. & knows
 that while in front of Petersburg Va a certain acting Drum
 Major by the name of Ofney as far as I recollect of the 22nd
 Pennsylvania Regiment (this is to the best of my recollection)
 cut said Chambers on the right wrist "with a "bowie
 Knife" and the said Ofney was placed under guard, and
 Chambers was disabled of the use of his right arm
 but being a principal Musician his work was prin-
 cipally done by word of mouth, such as giving orders.
This accident to the wrist was done about the first
of July in the year 1864. And I have no interest
 in this case.

John Harris

 tify that as far as I know aforesaid is honest & I have no inter-
