

State of Maryland Baltimore City

On this 8th day of November A.D. Eighteen Hundred and Eighty three personally appeared before me a Justice of the Peace of the State and City aforesaid - Albert Harvey McCay living at No 232 North Charles street in the City of Baltimore and by occupation and engaged in the Lumber business in Baltimore on No 22 West Falls Avenue - This Affiant - makes oath that he knows George Chambers (but does not know of said Chambers having been in the Army) but knows that about the year Eighteen Hundred and Seventy Chambers was employed in the family of my Parents C. F. McCay & Narcissa McCay we were then living in the same place and I am a son of said parties. This Affiant further knows that Chambers' occupation in his family was that of a waiter and he was not of good hearing and it was necessary to ~~but~~ speak ~~very~~ loud to him which rendered his service unpleasant and his performances of duty not so valuable - I further know he has changed his occupation since leaving our employ - further state that I have no interest of any kind whatever in this claim and know its contents & had the same.

Albert Harvey McCay

Sworn to and name written before me and that the contents are known to Affiant whom I certify to the best of my ability is worthy of belief that I have no interest in this claim.
