P. O. R.F.D. Marion, Somerset Co. Md
The claimant Margaret Chambers is my sister and I have known her all of her life.
She was born and raised in this County near here and lived here with our parents until she was about grown when she went to Baltimore to service.
She married there there to fine upon visiting her and my parents occasionally visiting her. When she married a man named George Chambers.
I can not give the date of the marriage and I was not present at the wedding but she told me she was married in Baltimore at the house of a preacher named Scott.
After their marriage they lived together in Baltimore for quite a while. and had six children four of whom are dead.
The children living are Ada and George. both in Baltimore the last I heard of them. Their exact address I can not give.
She became insane, and then left her husband and came here to my parents. and was with them a few weeks. and becoming worse my father applied to the Court and had her committed to an asylum in Baltimore Md. After being in that asylum. she was transferred to the almshouse of this County
