

DEPOSITION

Case of Margaret Chambers (Duesau) No. 937.042

On this 25 day of August, 1910, at Princess Anne, county of Somerset State of Md, before me, R. P. Fitcher, a Special Examiner of the Bureau of Pensions, personally appeared George A. Bonds, who, being by me first duly sworn to answer truly all interrogatories propounded to him during this special examination of aforesaid claim for pension, deposes and says:

I am 61 years of age.

P.O. R.F.D. Princess Anne, Somerset Co. Md.

Occupation Superintendent of The Somerset County Almshouse.

We have in the asylum here a woman named Margaret Chambers.

She was brought here from the Baltimore Insane asylum about ten years ago.

I was not here at the time. But when the County build an insane department to the Almshouse. the insane who had previously been inmates of other institutions. But were residents of this County - were sent for and committed here.

My impression is that she was committed from this County to the Baltimore asylum; this County at the time having no asylum, but I can not tell you what year she was sent to the asylum.

Mr Nathan Stevenson of Princess Anne who at one time was looking after the people here. told me she was a married woman. and her brother James Bennett visited her last year - and he told me she had been married to a man named Chambers in Baltimore - who had died and who had died and left some property. I have no record of Margaret Chambers case - and I never saw her husband
