No, a committee or guardian was never appointed for my sister Margaret, so far as I ever heard. She has been in the asylum in Somerset Co., Md., for many years; I have not seen her since she was sent there. She was first confined in an asylum near Baltimore, and was afterwards sent to Somerset county, under a ruling which provided that all insane persons should be sent to the counties where they came from.

I am not interested in this claim, except that I would like to see my sister get justice in the matter. I have heard you read the foregoing; have understood your questions, and my answers are correctly recorded.
