The claim of Alice E. Chambers, of No. 1130 Etting St., Baltimore, Md., was filed August 23, 1909, and in the application this woman avers that she was married to the soldier at Lovettsville, Virginia, December 4, 1887; that she had not been previously married, but that the soldier had been previously married and that his first marriage had been dissolved by divorce October 14, 1885.

Further investigation should be made in the city of Baltimore, Md., and elsewhere, if necessary, so that all questions may be finally passed upon by the Bureau of Pensions.

This letter should form an exhibit in the report of the special examiner.

Very respectfully,

Chief, Law Division.
