Additional Army Pen John Wesley Co. 39 Reg't W. S. Inf. 1305 Mount St. Balto Md

We hereby certify that in compliance with the examined this applicant, who states that he is suffering in the service, viz: Rheumatism & neuralgia of eyes - heart & respiratory system and that he receives a pension of \$

He makes the following statement upon which Rheumatism - came on in Paralysis came on in

Upon examination we find the following objects: respiration, 23; temperature, 97; height, pounds; age, 63 years.

Rheumatism. - The right arm cannot raise the right arm in position - the right arm and the other 1/2 inch 1 1/4 inches more than the muscles are thickened & contracted - the right leg ankle is enlarged by the edema, it measures 3/4 fellow-prehensile power in the right arm is almost totally absent - the fingers in right hand are permanently flexed and contracted, the arm hangs at the side cold and limp almost without power

Neuralgia & vertigo: - Both of these are present, but I believe them to be consequent upon the cerebral disturbance that causes the hemiplegia. Disease of eyes: The right eye is so defective that he cannot count fingers at 10 ft - the left eye is normal for a man of his age - the pupil of right eye is permanently dilated 3 3/4 very little response to light. He is, in our opinion, entitled to a

rating for the disability caused by for that caused by, and for that caused by

Pres. Sec'y G Lane Danville Treas.
