On this

Ca day of

, 189, at

, County of

State of

, before me,

a special examiner of the Bureau of Pensions, personally appeared

, who being by me first duly sworn to answer truly all interrogatories propounded to him during this special examination of aforesaid claim for pension, deposes and says:

I am _____ years of age; my post-office address is _____ with my head. I also had trouble with one of my ankles. I never had any treatment for it. The doctor told me it was rheumatism. I have been having that trouble in my ankle for about three years.

No, I never heard of an attorney named *Geo. Shea*. I cannot tell how my cert. of discharge got away from me, nor when nor where it disappeared. I ~~found~~^{found} to no attorney. Yes, my wife read over to me a history of the 19th regiment as it appears in that book.

While in Va. we were in the 75th AC, I cannot recall who commanded it. I was not in any battle. The regiment was in one severe battle and that was when the fort was blown up.

One of the Brooks who lives was in my Company lives in *Calvert County*. I think his name is *Richard*. *David Brooks* lives here in town, one is dead and I am the fourth.

I think I enlisted in the fall of the year. I know the corn was in shock and we were preparing ground for wheat.

George W. F. Vernon is my atty. I made no contract with him. I have paid him nothing on fees.

I have been correctly reported.

Charles J. Brooks
