CENTREVILLE, MD. September 17th., 1917.

E. C. Tieman, Acting Commissioner,

Dear Sir:-

Civil War Division
Wid. Orig. 1098211
Louisa Wilson, widow
of Charles A. Wilson
Co. K 39 U. S. C. Inf.

In reference to above case, I understand you say that you are awaiting evidence relative to the death of soldier's first wife, date of claimants marriage to soldier and continuous cohabitation and nondivorce of claimant and soldier, and that you have advised claimant that certain other papers are unsatisfactory.

I am under the impression that if you will examine your records and files more closely you will find this evidence has all been supplied.

In your letter of June 13th., 1917, to Mrs. Louisa Wilson you pointed out to her that it was necessary to furnish this evidence and such affidavits, statements etc. as were thought sufficient were mailed to you, and, although these statements, affidavits etc were mailed to you last July and were acknowledged by you on a postal card, you have not intimated that the evidence was not sufficient.

If the evidence supplied is not sufficient or if there are any defects or omissions please state what they are so that they may be supplied.

Hoping to hear from you at an early date, I am

Yours truly

H. B. W. Mitchell
