My dear Mr. Price:-

In response to your letter relative to claim, original number 1,098,211, Louisa Wilson, Rural Route #1, Centerville, Maryland, as widow of Charles A. Wilson, Company K, 39th United States Colored Infantry, I have the honor to inform you that said claim awaits evidence relative to the death of soldier's first wife, date of claimant's marriage to the soldier and continuous cohabitation and non-divorce of claimant and soldier, as called for yesterday in communication addressed to the claimant, when she was also advised why certain papers filed are unsatisfactory.

Name and service of soldier and number of claim should be inscribed upon all papers filed.

Very truly yours,
