Cer. 610041

Act June 27-1890

Filed by ROSS & ROSS,

114 E. Lexington St.,
Baltimore.

Baltimore, May 26-1899.

This is to certify that I have this day carefully examined Joshua E. West, late of Co. H. 39th U.S.C.V. He is an applicant for re-instatement on Pension Roll. He is suffering from Chronic Rheumatism of both legs and back. There is constant pain, with stiffness of joints, making locomotion difficult, and ~~for~~ loss of strength, causing difficulty in rising from the sitting posture. He also has cardiac oppression with palpitation, and undoubtedly early Endocarditis. Respiration is difficult and painful. He also suffers from Hemorrhoids, both internal and external. These conditions disqualify him for any constant manual labor, in fact producing almost total disability.
