Now did not you and Smothers and Frank Rice go together to the Court House and did you and Rice not act as usual giving witness in Smothers claim?

I disremember your meeting Smothers at Mr Lloyd's or going but once or going with him to the Court House but once and that was the time I made my own application and Mr Lloyd went along with in to the best of my remembrance.

I don't know how my name got on that paper... I didn't authorize any body to write it. I know and Riley went along with me and Smothers and Mr Lloyd to the Court House. I've been along with Riley 2 or 3 times.

I have heard this deposition read. My testimony is correct & ended. When I commenced my claim I lived at 708 Stockton Alley.
