DEPOSITION *H*Case of *James D. Myrto*, No. 555,350On this *4* day of *Nov.*, 1895, at  
*Balte*, County of *—*State of *md*, before me, *Geo A. Cutchfield*, a  
Special Examiner of the Pension Office, personally appeared.*John Clark*, who, being by me first duly sworn to answer  
truly all interrogatories propounded to him during this Special Examination of aforesaid  
pension claim, deposes and says: *the said disabilities*

*in service or since until the last time I saw him and then I think he complained of the disabilities you have named. Having had read to me the statements made by the claimant as to the ~~same~~ circumstances under which he incurred sunstroke I will say I think that is the same sunstroke that I had reference to. I may have been mistaken as to it being on a drill but I know we were in ranks.*

*I have understood your questions and my answers are correctly recorded herein.*

*John Clark*
