

DEPARTMENT OF THE INTERIOR,

BUREAU OF PENSIONS,

WASHINGTON, D. C.,

Dear Sir

Marion Ford
Jan 7th 1896

In reply to your letter
 will say I was very well acquainted
 with James Brooks. He was
 in same Camp that I was in
 I remember of him being sick
 in the Hospital. But do not
 have any recollection of him
 being wounded. I live right
 in Marion

Respect
 James Bell
