

L Sprand

& at the time I was in
New York I was
treated by Surgeon I think
his name was Dr. Shaw.
The time I was at Fort
Fisher in 1864 heeling up
lost war res at that time
I got my right arm Sprand
& it hurt me carry had & I
did not take any account of
it at the time all thought it
Keep on paining me untill I
Came home & then I was
taking with the arsigles from
that spine at Fort Fisher
& I don't believe the affect of that
arm to day & have ever since.
The Sarvis & I was tended by
Dr Brown for the arsigles in
arm & the Doctor pronono that
was the cose of the arsigle
taking place
