

Baltimore
Sept 13/95

Respectfully re-
turned ^{and} attention
invited to the fact
that this is the second
time affidavit of claim-
ant & Tax Assessor
has been furnished
showing that there is no
property owned by or
assessed to claimant
or soldier. The soldier
did not die until March
1895 & it seems unnecessary
to require an examination
of the Tax Books of Balt^e
back for two years and
+ I request that the claim
be submitted to the
Board of Review upon
the evidence now on file.
