Mrs. Mary G. Jobes
1125 Parrish Street
Baltimore
Maryland.

Madam:

In response to your inquiry relative to any alleged pending claim of your deceased husband, you are advised that his claim for pension under the general law, filed June 28, 1886, was pending at date of his death, March 9, 1895, but was completed by Mary F. Jobes, conclusively shown by evidence to be his legal widow and the pension due in his case was paid to her.

There is nothing now pending in the case, nor can you be recognized as having any unadjudicated rights in the case, as it has been shown that Mary F. Jobes had a prior right as the soldier's legal widow.

Very respectfully,

Commissioner.
