Wednesday,
February Twenty-Third.
1916.

TO WHOM IT MAY CONCERN.

This is to certify that I have this day made a thorough and careful examination of the marriage records of Baltimore City, recorded in the office of the Clerk of the Court of Common Pleas and that the said records fail to reveal the record of any other marriage of Jeremiah Jobs, otherwiss known as Jeremiah Jobes, than that which took place on May, 16, 1877 to Mary G. Martin.
