

Baltimore Md, July 14, 1930

The Commissioner of Pensions.

Subject. Claim No 617413, Mary G Jobes, widow of Jeremiah Jobes, Co K 30 U S Col Infantry.

Statement. This claimant has called to see me three times I am informed and on her last call she was accompanied by an official at the Customhouse in Baltimore who asked me to do what I could to hasten the settlement of her claim.

I took this short statement as the woman says she has been unable to get assistance in presenting the facts to the bureau properly though I have an idea the claim awaits calls for testimony or has been rejected and claimant failed to receive the letter of rejection.

Recommendation. Consideration, Chief of Widow Division.

Respectfully submitted.
