

about 7 or 8 years after they were married, and she went to New Orleans La, when she was away or perhaps before she went he went to live with Mary G. Jones this claimant. I know very little about her. I have heard they were married but I don't know anything about it. He lived with her as I have understood up to the time he died but I never heard from any source that he ever got a divorce from his first wife Mary F. Jones. I can't tell you when the first wife returned from New Orleans but I have seen her almost every year since then. She has never since her return from New Orleans lived with any man that I ever heard of.

I don't know anything about her relations with Shelton in New Orleans but I have heard her called both Mrs. Shelton and Mrs. Jones since then. My answers are correctly recorded herein.

I can't give you the date of the marriage of Jeremiah Jones to Mary F. Waters. It was just before the war but I can't give the year but I think it was cold weather.
