

New Orleans, La, and I understood that he married the claimant Mary M. Jones. That is what he told me and he lived with her till he died.

The first wife never to my knowledge remarried or lived with any man. I understood she is sometimes called Mrs Shelton but I don't know any thing about Shelton or what relation she bore to him.

I have never heard of her living with any man since Jeremiah Jones died - she certainly has not in this city. My answers are correctly recorded herein.
