Madam:

Relative to your claim for reimbursement in the case of Sophia Queen, Wid. You should also furnish a statement showing the name of the Fraternal Order by which the bill of the undertaker was paid, and a statement over the signature of Lena Franklin showing the amount of the pensioner's life insurance money used by her in payment of the expenses of the last sickness and burial. She should also sign the enclosed certificate as requested in the Bureau letter of March 23, 1915.

Very respectfully,
