

I do not think he was with us at discharge. I think he was at hospital when we were discharged. I am positive that soldier suffered from a severe cough in service & it was for treatment to his cough that he went to hospital. at least I always thought it was for <sup>his</sup> cough.

I can't say as to any disease or ailment had by soldier in service other than stated here but I am positive Owen suffered from a severe cough while in service. No sir I have not seen him since discharge. Did not know he was dead. have recd. no letters from club or soldier. have under stood your questions & my answers have been properly recorded.
