

during each year
Never knew, or heard, and do not think
he had consumption.

Do know that in the last years of
soldier life he had a very bad
cough all the time.

I do not know the name or the
nature of the disease of which
soldier died. His cough was dry.
Do know that soldier and claimant
was certainly married, was not
at their wedding.

Have not seen claimant for more
than 15 years.

Know claimant was always recog-
nized as the wife of soldier.

Do not know any thing about
the age of claimant's children,
not related or interested
questions understood.
