

O. O. White, Pres. *Dr. R. H. Adams*, Sec'y. *Edwin Sawyer*, Treas. 6-552

[Lined area for handwritten notes, currently blank]

We find that the aggregate permanent disability for earning a support by manual labor is due to gunshot wound of thigh and senile debility, not due to vicious habits, and warrants a rating of \$12.00.

No other disability found to exist.

He presents no symptoms of syphilitic infection or other vicious habits.

He has no objective symptoms of neuralgia.

He has no piles. Rectal mucous membrane in normal condition. No prolapse, stricture, fissure or fistula.

Deafness: Each external and internal auditory apparatus in normal condition. He is able to hear with either ear ordinary conversation at a greater distance than six feet.
