James H. Hardy

In reply to your request I have to state that I find no company
of J. B. G. with the name of G. G. G.
and I know what of G. G. G.
the summer of 1865 that he embarked
superior of the left side from heavy machinery.
no strike and he has of duty. We are always
in contact with the name, and I know
you know the one to be true.
