Claim No. 53672 of *Crouch Waters* Co. A

19th Regiment *W. S. G. Kelly*

On this day and date below written, personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follows:

"My age is 50 years, I reside in Baltimore, Md., at No.

3237 *Charles* Street,

I know when *Crouch Waters* returned from the army in 1867 that he was suffering with rupture of left side & I know that he has ever suffered with it constantly up to the present & that same has wholly incapacitated him from any manual labor whatsoever. He has lost on an average from his discharge to the present full 1/2 his time, even from the light work he is & has been able to perform. I have seen him almost daily & on most intimate terms since by & therefore know the above to be true.

This testimony was all written in my presence and only from my own oral statements then made at the office of A. Parlett Lloyd, and in view hereof that my oral statements were made to certify that in making them I have not been aided, or prompted by any written or printed statement or recital prepared or dictated by any other person other than the printed form of the Court.

I have no interest in this claim
