On this 30th day of Mar A. D. 1882, before me a Justice of the Peace
in and for the State and City aforesaid, personally appeared George E. Brown
resident of 3 Gray St County of
Baltimore and State of Maryland, to me well known, and whom I certify to be

respectable and intelligent, and entitled to full credit and belief, and who being duly sworn according to law, declared that
he is 36 years of age, he is a barber by trade, that when
John Jolly late of Co D 7 U.S.C.T. just came home from
the army used to be shaved by affiant & was otherwise
intimate with him, that he then (that is immediately
after his return from army) was suffering from a
severe cough, spitting blood after coughing & had
a decided Consumptive appearance. That he has
had experience enough with Consumptive people to
tell when one is one of that description & that he
had no doubt but that Jolly was Consumptive
at the time of his return & so continued up to
time of his death.

And has no interest in the claim of Mr Jolly for Pension
