

much, and often went on duty when he should

have been in the tent. He was often excused from

duty and when on duty was generally given some-

thing light to do on account of his poor health.

If we had been in either Mexico or Texas

he could not have served with us at all.

Q. Did he complain of any thing besides pain in his

back while in Texas?

A. I think he complained of his heart and wanted

some. He said to say that he had some pain in

and in getting up we used to tell him that

he had a "great good cough." He used to spit up

a great deal.

Q. What was the nature of his expectations?

A. I am unable to state.

Q. Did he spit up any blood?

A. I do not know. I never observed any blood, from

what I have seen of such cases since he was a

man admitted that he had some pain at the time

of his discharge. I did not know that he was dead

until you gave me information in this regard. I thought

Q. Did he not have a cough prior to his going to hospital

in account of wound?

A. No sir, I can say he was apparently perfectly

around during the first year of his service, I don't re-

member of his being off of duty on account of sickness

at any time from the time of his

being wounded. He was a good soldier and always

on hands for any thing.

Q. Who were his habits?

A. His habits were good. He was a steady soldier.

Q. Did he ever get drunk in connection with

enough?

A. I don't recollect whether he did or not.
