known by every one living there
and the older residents remember
him as a sound healthy man -
I could present much more
testimony than that presented
but believe the evidence of persons
present perfectly satisfactory
See "Report" A. H. G. D.

and I
There were several persons recruited
from Vienna, but few of them
returned and none are living
there now and I could believe of
the whereabouts of any in the vicinity
or elsewhere.
When the same mentioned and
recognition to admission.
