

Please state the degree of present disability

ACT OF JUNE 6, 1866.

SURGEON'S EXAMINATION FOR INCREASE OF PENSION.

The official Surgeon will transmit his examination direct to the Pension Office, and inform the Pensioner, if supposed to be entitled to increased pension, to prepare his application and forward the same with his pension certificate.

This report should be forwarded whether the pensioner is thought to be entitled to increase or not.

The Surgeon will accurately describe the pensioner's present disability, and state whether it has been entirely or partially caused by vicious habits.

☒ The official blanks furnished Surgeons are for their exclusive use.
